

Product Overview 2007

Food for Thought Lunchbox and coolerbag

The Food for Thought lunchbox encourages healthy eating by protecting oranges, apples and bananas from bruising. The lunchbox comes with a cooler to keep packed lunches fresh and tasty and is fast becoming the default choice for discerning parent. Coolerbags are available in blue, camo, orange, pink and red.

Bottlecoolerpenholder Water cooler and pencil case

The Bottlecoolerpenholder is a design made from neoprene that keeps water cool whilst also serving as a modern day pencil case. Simplicity itself, it helps children keep hydrated whilst at work and play, which dramatically increases levels of concentration. Available in blue, camo, orange, pink and red.

Chairpadbag School bag

The Chairpadbag is a bag that doubles as a padded seat cover to make hard, plastic seats more comfortable. The slim bag design means the children carry a manageable amount of schools kit, they enjoy the extra comfort the seat pad provides and they benefit from having all of their school kit close at hand.

school bag	wholesale (ex vat) £11.85	rrp £25
